Drawing and Notes (PLEASE PRINT LEGIBLY)

Make a sketch of the product you want; include dimensions and modifications with any additional notes.

List Standard Modifications:

1. Fill out this form completely, being sure to include store number and product information. This will ensure a quick response to your request.
2. **PLEASE PRINT LEGIBLY.**
3. Only one (1) item may be quoted per request form. If you have a quantity of the same item quoted, you may order the custom quoted item as many times as required.
4. Your quote will be processed within 24 hours (excluding weekends and holidays).
5. All quotes are faxed back unless legible email address is included on this form.
6. Approval of Custom Quote requests are made on an order-by-order basis. Prior approval of a quote does not represent future commitment for approval, pricing, lead-time or construction methods.

Custom Quote Guidelines

General guidelines only, all products are subject to our review and approval.
